RA

DETAILED ACTION

Response to Amendments

The replies filed on March 8 and April 12, 2002 are not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant's amendments/cancellation of claims has proven very confusing and rendered interpretation unworkable. Applicant is required to cancel all the claims and start with new claims. For the sake of clarity of the record, new claims shall begin with claim number 15 and continue sequentially from there. There will be no issue of recapture presented by the Office.

Applicant has received an action on the merits for the originally presented claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment and to respond to the outstanding action.
